### Strategic Human Resources Plan

In groups of 5, prepare a Strategic Human Resources Plan for a new Enterprise.

Each group shall present its plan to the rest of the colleagues and there should be a general discussion about the strengths and weaknesses of each plan.

What competencies helped you achieve your goals? (e.g. writing skills, communication, problem solving, interpersonal skill, creating a team, analysis, planning, motivating others, perseverance, priority setting, time management, listening, learning on the fly, innovation management, integrity, assertiveness, creativity, conflict management, compassion, boss relationships and fairness to direct reports)
